'Harrogate School of Theology & Mission - Fixing Systems Not Just Symptoms

25th November - live lecture at St Marks I'm getting in touch to ask for your help. We're hoping this HST&M talk / workshop with International Justice Mission on 25th November will be a valuable step in raising awareness and involvement in helping end modern-day slavery. Tackling slavery and trafficking seems to be a crucial issue for our times and one where we can make a difference.

We'll explore next steps on the 25th. One option is a 6 week session for a small group - Exploring Justice - which explores a biblical perspective and draws on the stories of survivors.'
